

Life can be hard – and no child, no family should face the tough times alone.

In Escambia County, when children and families face hard situations, we empower them to find – and pursue – opportunities for success and happiness.

Counseling & Mental Health Services

Mental health issues can significantly impact children’s educational, mental, social and physical well-being, as well as their family peace and stability. We provide personalized treatment and support to equip children and families with tools, coping skills and connections so they can find hope, stability, and opportunities for happiness and success.

CHS launched the state’s only confidential, completely free Family Support Warm Line to offer immediate counseling and support to anyone in Florida. In just one year, more than 5,000 individuals called the Warm Line.

Children's Home Society of Florida provides the following evidenced-based practices in Escambia County: Trauma Focused Cognitive Behavioral Therapy, Real Life Heroes and Motivational Interviewing, Parent Child Interaction Therapy
