

Community Response to Human Trafficking

SERVICES

Alicia Tappan, Executive Director

Alicia holds a Master's in International Psychology. She has experience in co-morbidity of depression, anxiety, trauma among female rape victims, and commercial sexual exploitation of children (CSEC). As a survivor leader and advocate, her passion for these anti-human trafficking efforts has led her to collaborate with education systems, medical providers, clinicians, law enforcement and first responders along with community involvement for mentoring, education/training, and spreading awareness.

Trauma-Informed Care Therapy

Individual & Group counseling including music, art, & equine therapy.

Life Skill Development

Including independent living, career development (GED, Driver's Ed, Vocational), rehabilitation, health & wellness, and spiritual development.

Family Wraparound Support Service

Including Family Counseling & Support Services.

Survivor Mentorship

Survivor retreats, workshops, and mentorship

Awareness & Advocacy

Community awareness & volunteer advocate opportunities

CSEC & Human Trafficking Training

With a focus on medical, education, legal, faith-based organizations and other agency providers
